SKILLS

co.

*NOT ONE SIZE FITS ALL

OUR MISSION:

To help people unlock their full potential by developing the essential human skills needed to succeed in today's fast-paced world.

From communication and problem-solving to leadership and emotional intelligence, we've got the tools, experience and expertise you need to thrive and shine.

*THE ASTERISK = THERE'S ALWAYS MORE TO COME,
WHEN IT COMES TO PEOPLE.

Every person, culture and organisation is unique. Which is why we offer tailored in-house training programs that are specifically designed to meet your organization's needs. No cookie cutters here!

Our experienced trainers will work closely with you to develop a program that's tailored to your specific goals, culture, and challenges, delivered at a time and place that's convenient for you.

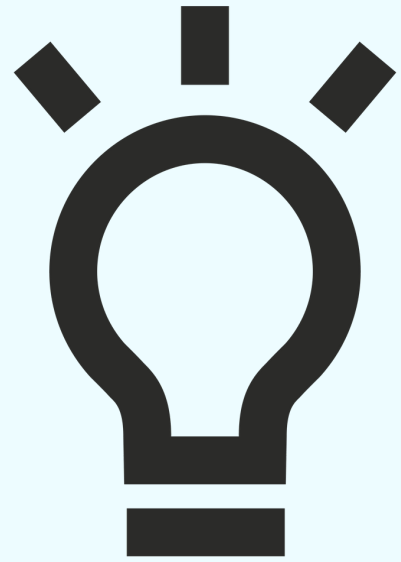

*WHAT ' S THE STORY?

Human Skills Co is the solution to the problem we observed across education and work - we've been so busy passing exams and learning tech, we've neglected practicing **connection, communication, creativity and reflection.**

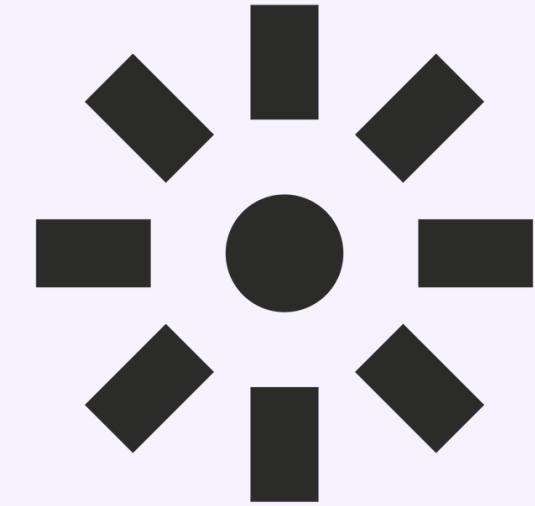

For business and government, we need our best minds to master these skills for teamwork, productivity, resilience and innovation. Crucial for personal and professional development, we help humans **thrive** in all parts of life.

*EXAMPLE PROBLEMS WE SOLVE:

- "My team come to me for everything!"
- "Our communication just isn't working."
- "We're feeling burnt out trying to juggle everything."
- "I'm struggling to attract and retain great people."

*WE LEAD DELIVERY WITH OUR VALUES:

Knowledge: We use the latest concepts and research alongside timeless insights to human nature and best learning practices. Our work is dynamic and interactive; delivery is practical and relatable.

Accountability: Each session we set everyone an experiment to apply the learning and reflect on progress. We emphasise ownership at every level.

Connection: Within your team, business and our programs, we encourage and facilitate building great relationships.

*TOPICS WE OFFER (A FEW EXAMPLES)

- Problem Solving for independent thinkers;
- Communication: from difficult conversations and writing skills;
- Building a magnetic, connected culture;
- Building relationships and building resilience;
- Productivity masterclasses, for professional and personal success;
- Decision making when levelling up to leadership;
- Embracing innovation and challenging change;
- Self-awareness, self-leadership and self-motivation;

*THE HUMAN SKILLS METHOD

- A kick off meeting to determine the current needs and wishes for your team;
- 6 x 90 minute tailored workshops, delivered on-site, packed with practical tools and solutions;
- Accountability check-ins and frameworks to track progress and provide feedback;
- Access to exclusive events and networking with other young professionals

*BUT MY TEAM IS SMALL!

- Fear not! DIY and online options are available. If you have 1-7 people you would like to experience the human skills method, you can choose a curated, community version you can work through live with our trainers or at your own convenience.
- This includes co-designed topics, tailored videos, pre-printed worksheets, accountability check-ins, ideas to delve deeper and support on delivery.

*BUT I DON'T KNOW WHERE TO START!

- We have you covered ;) You can kick off with a strategy session, where we discuss your challenges, needs and vision.
- We then create a bespoke 6 month learning strategy solution for you, covering suggested topics, resources, templates and a guide for delivery.
- You can then choose to do it yourselves or use the session fee as a discount on our services.
Win / Win!

*WE SHOULD TALK IF :

- You care about your team members and want to see them **thrive**, personally and professionally.
- You want a '**secret weapon**' to help you achieve a magnetic culture, client and staff retention, successful relationships and better business outcomes.
- You are ready to commit to a six month program, because you know **quality results take time**.
